Xerox Label Solutions
The range to look out for

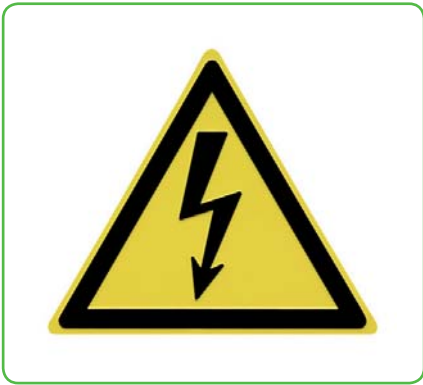

Synthetic Labels

for durable labelling

DuraPaper Labels

Digitally optimised synthetic label, ideal for outdoor applications where weather resistance and durability are paramount. High tear resistance Polyolefin with aggressive adhesive ensuring your messages stay put. Applications include outdoor notices and signage, industrial machinery, and health and safety signs.

Item Number	Product Number	Format	Surface finish	Colour	Sheets per box
83506	003R97344	A4	Matt	White	50
83504	003R98645	A3	Matt	White	150
83507	003R98688	SRA3	Matt	White	100

Xerox custom label service

Our custom label service can tailor make a solution for your specific labelling needs.

With a vast array of face materials and adhesives to choose from we can engineer the ideal combination to cover virtually any and every labelling requirement you may have.

The applications are endless from labels for use in deep freeze environments, those requiring water solubility to being compatible with deep sea immersion, we can offer you a solution.

For more information and to discuss your specific labelling requirements contact your Antalis account manager.

Typical Applications

- Outdoor notices and signage
- Oil and chemical drum labelling
- Health and safety signs
- Shop/restaurant POS signage
- Machinery labelling, serial numbers
- Wheelie bin labelling
- White goods labelling
- Identification/asset labelling
- Hazard labelling
- Direction/maps/timetables
- Container and pallet labelling
- Deep freeze products
- Water soluble
- Re-positionable
- Blackout

Paper Labels

for everyday use
