**DIGITAL PRINTING ON
SPECIALITY MEDIA ISN'T
JUST A GOOD IDEA, IT'S AN
OPPORTUNITY FOR GROWTH**

Customers need new ways to stand out. They want innovative ideas, quality communication pieces and solutions to showcase their brand. Speciality media will enable them to generate new ideas and add value to their business.

XEROX® PREMIUM NEVERTEAR PAPER

Features and Benefits

- Tested and approved for colour and high end mono digital printing
- Synthetic polyester film with matt finish for outstanding image quality
- High opacity and whiteness for excellent brightness and shade
- Highly tear resistant non-porous rigid material; specially designed for frequently handled documents and outdoor applications; water/weather proof
- Available in a variety of sizes and thicknesses to suit many different applications, including a pre-scored range

Markets to Approach

- Suited to markets having applications requiring durable, rigid, water/weather proof substrate; well suited to frequent handling and outdoor use

Application Ideas

- Lightweight manual/catalogue pages
- Airline tray inserts
- Maps
- Safety evacuation maps
- Menus
- Luggage tags
- Garden plant tags and stakes
- ID Cards and heavyweight signage

XEROX® CREATE RANGE

Features and Benefits

- The Xerox® Create range is the perfect solution for eye catching materials to support events, exhibitions and marketing activities, and for document storage solutions. Pre-converted sheets of Xerox® Colour Impressions are supplied, ready for printing then inserting into mainly 100% recyclable polypropylene based bodies, allowing creation of bespoke boutique bags, mouse mats, folders and more
- Totem Range – two sided display units for counter and stand alone POS applications. Lightweight, reusable units that are portable. Available from 297mm to 1600mm

Markets to Approach

- Conference and exhibition
- Point of sale
- Training
- Marketing communications
- Print shop
- Graphic arts
- Creative design
- Promotions and events

Application Ideas

- Any bespoke, customised or variable data applications
- On demand print opportunities
- Point of sale promotional products
- Corporate client engagements

XEROX® DIGIBOARD

Features and Benefits

- The Xerox® DigiBoard range contains SRA3, 210gsm sheets of packaging boards, which are pre-creased, partially cut and perforated. The creases are specially designed to ensure the surface remains flat to maintain print quality. Once printed, simply guillotine or remove perforations, tear away unwanted board and fold your DigiBoard sheet into the final product. The perfect short run solution for production of mugs boxes, tent cards, pillow packs, business card boxes, folders, gift boxes

Markets to Approach

- Conference and exhibition
- Point of sale
- Training
- Marketing communications
- Print shop
- Graphic arts
- Creative design
- Promotions and events

Application Ideas

- Any bespoke, customised or variable data applications
- On demand print opportunities
- Point of sale promotional products
- Corporate client engagements

XEROX® CARD SOLUTIONS

Features and Benefits

- A highly durable synthetic card - the premium solution. The card itself is designed to be waterproof, tear proof and durable. All solutions are available in customised configurations that can be supplied to you pre-printed on the face and reverse of both the card and carrier sheet. Use your laser printer to add variable data

Markets to Approach

Any industry where ID, loyalty, hospitality and membership cards are required.

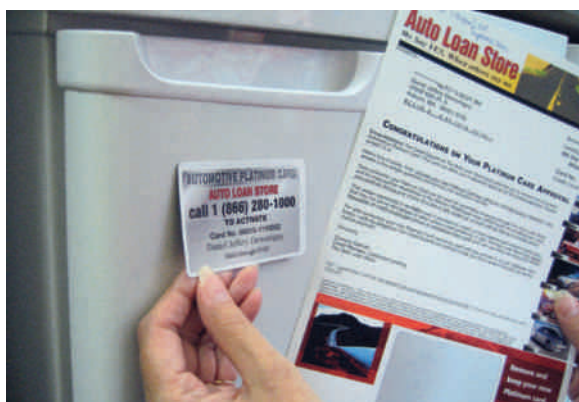

- Education
- Retail
- Insurance
- Healthcare

Application Ideas

Suitable for membership cards, identification cards and loyalty cards where durability and professional looking images are a factor.

- Exhibition tickets
- Security passes
- Warranty cards
- Pin number cards
- Membership cards
- Hotel loyalty cards
- Retail loyalty cards

XEROX® MAGNETIC MEDIA: ULTRAMAGNET AND DOCUMAGNET

Features and Benefits

UltraMagnet

- The Xerox® UltraMagnet is an unmagnetised, cut-sheet solution with a glossy coated paper facesheet which can be used to produce customised, multi-up, personalised magnets on the Xerox® iGen3® and iGen4® Digital Colour Press. Well suited to die-cutting. Sheets are magnetised after printing

DocuMagnet

- DocuMagnet is one of several magnetic media products specifically designed for your high-speed laser applications. This unique product combines a 54mm x 86mm magnet integrated into an A4 coated or uncoated 184gsm carrier sheet. It is available in a standard 1 up configuration only

Markets to Approach

- Utilities communications
- Promotional and events
- Advertising
- Marketing communications
- Graphic arts
- Services communication
- Tourism/leisure
- Education

Application Ideas

- Retaining contact details for service organisations
- Fridge magnets
- Promotional advertising
- Educational materials
- Personalised client details for retention
- Direct mail promotions
- White board magnets

XEROX® COLOUR VOID SECURITY SEALS

Features and Benefits

- A4 Colourvoid™ is an excellent lay-flat sheet of bespoke security labels ready for laser personalisation
- The labels can be utilised as brand protection, tamper evident seals or validation devices and will give excellent results with Xerox mono or colour lasers
- Labels are supplied as 27 individual labels on an A4 sheet to Avery template L6114
- Available with a blue background or a white background suitable to go on dark coloured packaging

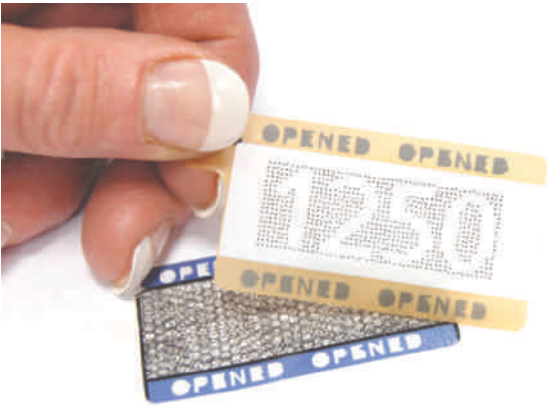

Markets to Approach

- Finance and banking
- Telecommunications
- Security services
- Transportation and despatch
- Law enforcement/military

Application Ideas

- Finance and banking confidential communications
- Secure mailings
- Secure product distribution
- Carton/box seals

XEROX® PINTAB

Features and Benefits

- The Xerox® PINTab solution delivers sensitive or personal information such as PIN numbers to clients in a highly secure format
- The carrier sheet is a 100gsm bright white, laser guaranteed sheet designed for mono laser printing. Data is printed directly on to the top layer of the label or 'tab' and the black, patterned background area ensures the PIN cannot be read without pulling the tab
- The PINTab has been designed to counter 13 different forms of security attack and is fully tamper evident

Markets to Approach

- Finance and banking
- Internet company client management
- Telecommunications
- Direct marketing

Application Ideas

- PIN numbers for bank accounts
- Mobile phone PUK numbers
- Internet passwords for:
 - Tax or revenue returns
 - On-line voting
 - On-line banking
 - Gaming
- IT access PIN for company security
- Competition or prize draw codes
- Door access codes
- Discount vouchers

XEROX® SYNTHETIC LABELS/SIGNAGE

Features and Benefits

DuraPaper Labels

- Xerox® DuraPaper Labels are a self-adhesive tear resistant synthetic sheet specifically designed for colour digital printing. DuraPaper Labels are ideal for outdoor applications where weather resistance and durability are paramount. It is chemical resistant and waterproof, lending itself to a variety of applications in the harshest environments

Premium NeverTear Labels

- Due to their combination of durability and aesthetic properties, Premium NeverTear labels offer great solutions for high quality signage or labelling
- Permanent versions are available with matt white, gloss white, glass clear and frosted finishes or in low tack/removable versions in matt white or glass clear
- All are offered in A4, A3 and SRA3 sheet sizes

Window GraphiX

- Xerox® Window GraphiX is a synthetic, self-adhesive media which can be used for creating temporary signage and notices
- Available in clear and white, this product has a low tack adhesive which means that it can be removed from any smooth surface without leaving any glue residue

Glossy White & Crystal Clear

- Crystal Clear and Glossy White self-adhesive films are ideal for use on colour and mono laser printers
- They adhere to a variety of materials, providing a durable finish with great image quality

Markets to Approach

- Utilities communications
- Advertising
- Graphic arts
- Services communication
- Tourism/leisure
- Promotional and events
- Point of sale
- Signage

Application Ideas

- Outdoor notices and signage
- Use on oil and chemical drums
- Health and safety signs
- Use in clean environments
- Product labelling outdoors
- Labelling of machinery or spares
- White goods labelling
- Public information signs
- Point of sale advertising
- Reminder or warning notices
- Health & safety notices
- Promotional signage
- Labelling of office doors

XEROX® DURAPAPER®

Features and Benefits

- Durable synthetic tear-resistant, waterproof, dirt/grease/smudge repellent; well suited to lamination for added strength and image protection; available in various weights and sizes

Markets to Approach

- Suited to markets having applications requiring durable yet soft and pliable substrate; well suited to outdoor use

Application Ideas

- Durable brochures
- Airline tray inserts
- Maps
- Safety evacuation maps
- Menus and heavy weight signage

Printer Compatibility

- iGen3® and iGen4®
- Xerox® 700 family w/high cap feeder
- DC8000 family
- DC7000 family

XEROX® DURADOCUMENT PAPER

Features and Benefits

- Strong like film – printable like paper

Application Ideas

- **DuraDocument Publishing**
Maps, book jackets, covers and pages, greetings cards, educational displays, technical drawings and plans, etc
- **DuraDocument Commercial Printing**
Folders, dividers, sleeves, documents, certificates, manuals, menus, membership cards, etc
- **DuraDocument Tags & Tickets**
Textile and clothing tags, logistic tags, durable event, transit and leisure tickets, tracking labels, etc
- **DuraDocument Packaging**
Cartons and boxes, bags, pockets, sacks, wrapping and packaging, etc

Features and Benefits

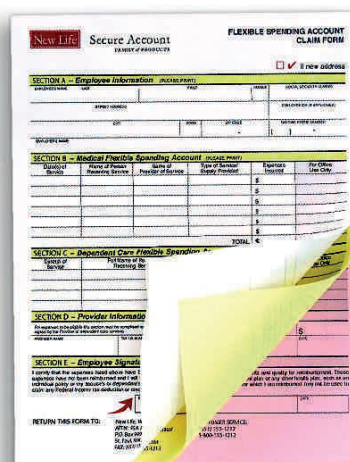

- An unforgettable, interactive, four-sided, dimensional application

Markets to Approach

- Photo
 - Retail (consumer)
 - Professional
 - Creative/marketing communications
 - Marketing agencies
 - Quick print
 - Graphic arts printers
- Ideal for any business looking for a unique way to promote itself.
- From a consumer standpoint, a classic complement to the 4" x 6" photo.

Application Ideas

- Product promotions
- Company promotions
- Wedding favours
- Invitations
- Holiday cards
- Birth announcements
- Business cards

Features and Benefits

- Benchmark image legibility on multiple-part forms
- Crisp easy-to-read imagery, 15% darker than any competitive product
- Improved runnability – load the trays and let it run
- Clean running – reduced dust and contamination
- Superior toner adhesion
- Approved across a wide range of Xerox digital equipment means one product and one inventory does it all – saving time and money

Markets to Approach

- Industries desiring ability to print short-run, carbonless, multi-part forms in-house; ideally suited to printing variable data carbonless forms

Application Ideas

- Work orders
- Pharmaceutical case report forms
- Insurance claim forms
- Purchase orders/invoices
- Job estimates
- Shipping forms
- Legal contracts
- Packing and routing slips
- Credit/employment applications
- Requisitions
