MAILROOM

NEW!

JIFFY SUPERLITE®

Brand new from Jiffy, we are delighted to present the Jiffy Superlite® mailer. The newest addition to the respected Jiffy mailer range Superlite is light weight but strong, due to the fully laminated construction with a caring, non-abrasive foam liner.

Available in crisp white, in popular sizes 1, 3, 5 and 7, perfect for fulfillment, mail order, e-commerce and distribution. An economical mailer for many applications. Moreover, as well as the clean looking aesthetics of the mailer, and the strength and performance attributes, Superlite has an impressive story to tell with regards to the packing specification.

There's 100% extra per box, per pallet and per truckload than regular Jiffy aircraft mailers. So Superlite is perfect for improved handling, storage and distribution.

KEY FEATURES

- High Quality
- Foam Lined
- Fully Laminated
- Non-abrasive
- Light-weight Mailer

TRIANGULAR POSTAL TUBES

An alternative to round postal tubes these triangular tubes are strong, easy to pack and stack. Palletised flat pack they save space over conventional round tubes and won't roll off conveyor systems. Complete with peel and seal tape for ease of closure there is need for additional packaging tape.

KEY FEATURES

- Flat packed - less per pallet
- They won't 'roll' off conveying systems
- Stack easily
- Strong structure

CIRCULAR POSTAL TUBES

Providing excellent, robust protection for items sent in the post.

KEY FEATURES

- Easy to use
- Reusable end caps
- Approved postal packaging (no bulk surcharge)
- Supplied in various lengths and diameters

MAILROOM

PARCEL TAPE

Polypropylene tape from leading brands Vibac and 3M. Low cost range of carton sealing tape.

KEY FEATURES

- Ensures fast, cost-effective work processes
- Excellent value for money
- Different grades available for all applications

KRAFT PAPER

A pure kraft wrapping paper for use as outer packaging or interleaving.

POSTAL BOXES

Strong self-assembly corrugated cardboard mailing postal box.

KEY FEATURES

- Lightweight but strong
- Supplied flat for storage
- Easily assembled
- Excellent protection
- Recyclable

POSTAL WRAPS

Corrugated wraparound, variable height mailing boxes.

KEY FEATURES

- Self-adhesive closure strip
- Tear open strip guarantees easy removal of contents
- Special reinforced edges

DID YOU KNOW?

Packaging tapes can be individually printed to your specification. Why not try bespoke printed tape - a cost effective way to get your marketing message across!

ADVANTAGES

- Advertising Impact: your logo and/or slogan on each box that leaves your company
- Theft Protection: The box cannot be opened and re-sealed
- Identification: Print contact details, instructions, etc.
- Recognition: The sender can be immediately identified

MAILROOM

HELPFUL HINT:

Need help deciding what items best suit your requirements? You can refer to our mail formats guide, found on the back cover, for all of the information you will need regarding Royal Mail's business postal sizes.

RIGIKRAFT™ ENVELOPES

Rigid corrugated envelope with a self-seal closure. Variable height with creased grooves all the way round.
