

The world of
premium paper.

The world of premium paper.

Xerox® papers and print media are engineered to bring out the very best in digital printing. Whether you need to create a high end customer brochure, a captivating proposal or presentation, an eye-catching business card, pamphlet or window decal, you get great results with Xerox® digitally optimised media.

All Xerox® products have been designed, extensively tested and qualified by Xerox® engineers to ensure optimum performance and outstanding productivity. Plus, the extensive range of Xerox® papers and other innovative print media ensures that whatever your digital print need there is a Xerox® product to suit.

This paper has undergone rigorous testing by Xerox. Any paper and print media that is featured on the Paper and Media list for a specific Xerox® printer or digital press will give optimum performance.

Xerox® Premier

The Premier paper range is simply the largest range of optimum paper available from Xerox®. Premier is a totally versatile paper featuring lighter weights for mailing applications, higher weights for reports and proposals, and punched versions for ease of filing.

Available in A4 75, 80, 90,100 and 160gsm, A5 80gsm and A4 Four Hole punched.

Xerox® Business

Xerox® Business is a high performance paper suitable for everyday laser, inkjet and offset applications. This paper delivers reliable and consistent performance page after page. Quickpack cartons are also available containing 2500 sheets without ream wrappers allowing quick loading of high volume printers and copiers.

Available in A4 and A3 80 and 90gsm.

Xerox® Exclusive

The benchmark paper for printing prestigious documents such as proposals, legal correspondence, letterheads, and presentations. The excellent bulk, stiffness, and very high whiteness of Xerox Exclusive are all features which give a professional and high value look to your documents. Bleach type ECF. All weights are FSC® Certified.

Available in A4 and A3 80, 90 and 100gsm.

Xerox® Recycled Supreme

A high white paper designed to give perfect performance in laser printers and copiers. De-inked without bleaching and free from optical brightening agents (OBA). The quality of this paper is comparable to paper produced using primary fibres. Awarded NAPM approval for recycled content. Wrapped and packed in recycled material.

Available in A4 and A3 80gsm.

Xerox® Colotech+ paper

Xerox® Colotech+ is the benchmark paper for digital colour printing. This uncoated, high white paper has a super-smooth finish which enhances the brilliance and contrast of text and images on all digital colour documents. Ideal for high quality, production printing on all digital colour printers and presses.

Available in Uncoated 90, 100, 120, 160, 200, 220, 250, 280, 300 and 350gsm, Gloss and Silk 120, 140, 170, 210, 280 and in SRA3 350gsm.

Xerox® Colour Impressions

Xerox® Colour Impressions is a premium, uncoated paper designed to give excellent results in digital colour printers. With a very smooth surface and bright, white shade, Colour Impressions will give a professional finish to your office and production colour documents.

Available in A4 90, 100, 120, 160, 200, 250 and 280gsm, A3 is available in 90 and 100gsm.

Xerox® ColorPrint

Xerox® ColorPrint uncoated is a smooth, high white paper ideal for printing everyday office documents in colour. ColorPrint is optimised for digital printing and can be used all around the office on typical desktop or multi-functional printers. As well as giving superb colour reproduction it also gives great results when printing those important black and white documents or images, with pin sharp detail and halftones.

Available in A4 80, 90, 100, 120 and 160gsm, A3 is available in 80 and 100gsm.

DIGITAL COLOUR PAPERS

Xerox® Premium Never Tear

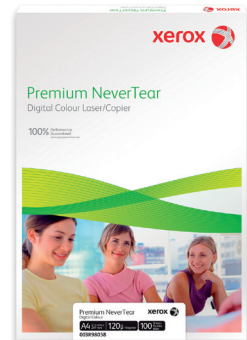

Speciality print media for digital printing.

Xerox® Specialty Media Xerox® Premium NeverTear is a highly durable, printable media made from bright white polyester. It is perfectly optimised for both colour and mono digital printing. The smooth matt surface enables a vibrant image and excellent toner bonding. Premium NeverTear is tear proof, and can be die cut and finished for many applications. It really is the tough alternative to paper.

Available in A4 95, 120 and 195 micron and in A3 145 micron.

SPECIALITY PAPERS

Xerox® Symphony

Xerox® Paper for Printing and Copying.

Xerox® Symphony is a comprehensive range of coloured papers. It is manufactured to the same exacting standards as Xerox® Premier paper. The clear wrap enables quick and easy colour recognition without breaking the pack. The paper is ideal for applications such as prioritisation of documents, or when maximum impact is required.

Available in A4 80gsm. Many colours available in the range.

TINTED PAPERS
