antalis<sup>TM</sup>  
Just ask Antalis

# ANTALIS IS THE ONLY PARTNER YOU NEED TO GET THE JOB DONE FOR ANY PORTABLE DISPLAY SOLUTION.

Whether it's roller banners, pop-up systems, outdoor displays, tablet stands, lcd mounts or point of sale solutions, we have a comprehensive range of products to help you get the job done. This brochure details our complete range of exhibition and display stand products. However, if you can't find what you are looking for, give us a call and we will do our best to find a solution for you.

## IT'S MORE THAN THE PRODUCTS WE SUPPLY.

In a market that is fast paced and constantly changing, you can rely on us to add value to your business through our industry expertise, product range and service offer.

### Delivering on time, every time

Next day delivery comes as standard giving you your products quickly to get the job done efficiently.

### Conversion centre

A dedicated conversion facility is available to cut reels and sheets to the size you want. Slitting, sawing, re-packing and re-palletising services are also available allowing you to be more productive.

### Technical experts

We have extensive knowledge and experience within the visual communications and print industry to provide you with support when you need it. From choosing the right product to problems on press.

### d2b

The Digital to Business network of digital print is designed to help you harness industry developments and capture emerging business opportunities to improve profitability.

iPad Holder for  
Free Standing  
Modular Display

Our Tablet Holder is a perfect blend of functionality and elegance, with the strong lightweight satin aluminium profile making it suitable for public areas. The fascia, available in White or Black, provides a security feature to conceal the 'Home' button and an additional option to conceal side buttons if required to avoid interference. The Tablet holder is secured by means of an allen key and can be used in landscape or portrait format.

WALL & DOOR SIGNS

Our range of curved frame signage has a sleek, modern profile which looks great, is simple to use and easy to update. Signs can be quickly changed by removing the clear protective cover, and placing any flat, flexible substrate onto the frame extrusion to produce a contemporary curved face sign. This range provides a comprehensive solution with an unrivalled range of applications that cover the entire project.

- ✓ Create stylish, curved wall & door mounted signs by inserting any flat, flexible substrate
- ✓ Wall & door signs have double-sided tape to mount easily - no tools required
